**SECTION 3 – SERVICE DESCRIPTIONS AND RATES, (CONT'D.)**

**3.6 InterLATA Network Access, (Cont'd.)**

**3.6.3 Rate Elements**

Two rate elements apply to InterLATA Network Access: Channel Termination and Network Access Mileage.

**A. Channel Termination**

The Channel Termination rate element provides for the dedicated transmission path between two customer-designated premises. One Channel Termination charge applies per point of termination. A Channel Termination charge applies when the customer designated premises and the serving wire center are collocated in the same building.

**B. Network Access Mileage**

The Network Access Mileage rate element provides for the dedicated transmission facilities path between the customer's serving wire centers associated with the two customer designated premises. The Mileage rate element is made up of two charges: a flat rate per circuit ("Fixed") and flat a per-mile rate ("Variable").

The Mileage rate element will be rounded up to the next mile for any fraction of a mile. For example, 0.001 miles will be charged at 1 mile. If both locations of Customer's designated premises are within the same central office, Mileage charges will not apply.

**SECTION 3 – SERVICE DESCRIPTIONS AND RATES, (CONT'D.)****3.7 Private Line**

*Company InterLATA Private Line is an InterLATA service, which is used in conjunction with InterLATA Network Access. InterLATA Private Line Service provides a dedicated transmission path that originates or terminates at a Company Point of Presence (POP). Where InterLATA Private Line is available, service is offered as a high capacity dedicated transmission facility available 24-hours per day, 7 days per week in the following bandwidths: DS1 (1.544 Mbps) and DS3 (44.436 Mbps).*

The facilities to the customer-designated premises may be entirely On-Net or Off-Net. Customers may commit to one, two or three year service terms. The minimum service period for InterLATA Private Line is one year. Should the Customer terminate service prior to the end of the term commitment, the Customer will be billed a termination charge equal to the monthly recurring charge times the number of months remaining in the term.

**SECTION 3 – SERVICE DESCRIPTIONS AND RATES, (CONT'D.)****3.7 Private Line, (Cont'd.)****3.7.1 Rates and Charges**

Rates and charges for InterLATA Private Line service is defined herein and is based on the locations of the customer designated premises in relation to the Company's network. Specifically, Customers will be charged according to whether the customer-designated premises are On-Net or Off-Net. As used herein, On-Net service shall mean service to the Customer designated premises is provided entirely by Company over its own facilities. Off-Net service shall mean service to the Customer designated premises is not provided entirely over Company facilities. Instead, service to the Customer designated premises is provided by Company, in whole or in part, through the use, purchase or lease of the facilities from a service provider other than Company.

**A. Rate Elements:**

The rate element that applies to InterLATA Private Line is Long haul Mileage. The Long haul Mileage rate element provides for the dedicated transmission facilities path between the Company POPs associated with the two customer designated premises. The Long haul Mileage rate element is made up of one variable charge: a flat, per-mile rate.

The Long haul Mileage rate element will be rounded up to the next mile for any fraction of a mile. For example, 0.001 miles will be charged at 1 mile.

Long haul Mileage charges do not apply for a circuit between two on-net locations in the same LATA that are less 5 miles or less apart.

**SECTION 3 – SERVICE DESCRIPTIONS AND RATES, (CONT'D.)****3.10 Multiple Service Discount**

Multiple Service is available to current or new Business Customers meeting the criteria listed below. Customer will receive a 15% discount off the combined total amount of the Monthly Recurring and Usage charges for their local exchange, local calling features, IntraLATA, InterLATA, 800 toll service, calling card, Shared Web Hosting and DSL or Dedicated Internet Access Service. Sales, use, gross receipts, excise, access or other local, state and federal taxes, charges, user fees, or surcharges are not included. Service is subject to the availability of facilities and offered only where technically feasible. This 15% discount is applied in addition to any term discount offered on the individual service components listed below. The following are not eligible with the Multiple Service Discount: XOption Offering; Integrated Access Offering; Dedicated Long Distance; other promotions; Individual Case Basis (ICB) contracts or any off tariff pricing. To be eligible, Customers must meet the following criteria:

- A. Customers must subscribe to local exchange, long distance and calling card services ("Voice Service"). The Local Exchange Voice service requirement is a minimum 48 lines or trunks (or 2 T-1 equivalents) but no more than 144 lines or trunks (or 6 T-1 equivalents).
- B. Customers must subscribe to DSL or Dedicated Internet Access service, and Shared Web Hosting service ("Data Service"). Does not apply to Dedicated Web Hosting;
- C. New Customers must commit to a term of service for the Voice Service and Data Service for minimum one (1) year term commitment. Existing Customers must commit to a term of service for Data Service that is equal to or greater than the amount of time remaining in Customer's term commitment for the Voice Service listed in 1 above, but in no case shall the commitment be less than one (1) year;
- D. Current Customers' account must be current as of the date of Installation and no outstanding balance past due; and
- E. If, for any reason, Customer's service is terminated prior to the end of Customer's term commitment, the Customer will be liable for all discounted amounts provided under this Service Discount Plan.

**SECTION 3 – SERVICE DESCRIPTIONS AND RATES, (CONT'D.)****3.12 Directory Assistance**

Directory Assistance service provides a Customer with requested telephone numbers and/or addresses within the state. Customers can reach a Directory Assistance Operator by dialing 411 or (NPA) 555-1212. The Directory Assistance Operator will furnish up to three items per call or will let the Customer know if the requested information cannot be found. Customers will be charged for calls placed to Directory Assistance even when the requested information cannot be found.

**3.12.1** Each call to Directory Assistance will be charged as follows:

	<b>Per Call</b>	
IntraLATA	\$1.75	(I)
InterLATA	\$1.75	(I)

**3.12.2 Call Completion Feature**

Customers using Company's Directory Assistance Service will have the option of completing calls through Company's Call Completion feature. At the Customer's request, the Directory Assistance Operator will connect the Customer to the requested telephone number. In addition to the per call charge for Directory Assistance listed above, Customers will be charged for the duration of the completed call as follows:

- A.** Customers placing the call from a telephone line that is subscribed to Company long distance service will be charged according to Customer's current Company rate plan.
- B.** Customers placing a call from a telephone line that is subscribed to Company local service only will be charged \$0.10 per minute for the duration of the completed call.

Other than the Directory Assistance per call charge and the applicable usage charges for the completed call, there is no additional charge for using this feature.

**3.12.3** A credit will be given for calls to Directory Assistance as follows:

- A.** The Customer experiences poor transmission or is cut-off during the call; or
- B.** The Customer is given an incorrect telephone number.
- C.** To obtain such a credit, the Customer must notify its Customer Service representative within 48 hours of the placement of the call to Directory Assistance.

**SECTION 3 – SERVICE DESCRIPTIONS AND RATES, (CONT'D.)****3.13 XO Prepaid Card Service**

Prepaid Cards allow customers to acquire cards that are used to originate outbound direct dial calls. Prepaid cards are available in various dollar denominations as set forth below. To use the card, callers must dial an access number. When the call is acknowledged, the caller then enters the PIN. At this point, the caller is notified of the dollar value remaining on the card. The caller then enters the telephone number to be called.

XO's Prepaid Card service is available twenty-four hours a day, seven days a week from Dual Tone Multi Frequency phones. The number of available XO Prepaid Cards is subject to technical limitations. Such cards will be offered to Customers on a first come, first served basis.

XO will offer consumers the ability to purchase its prepaid cards in various dollar denominations and under various options. Each prepaid card will remain active until such time as the charges (as set forth below) equal the dollar value of the prepaid card purchased by the end-user or until the card expires (as set forth below). Where the dollar value left on an XO Prepaid Card is less than the cost of making a call, the card will be retired and the unused balance forfeited.

Option 1 Cards will expire the sooner of five years from the date of activation or one year from the date of first use unless recharged and then one year from the date of last recharge.

Option 2 & 3 Cards will expire the sooner of five (5) years from the date of activation or six months from the date of first use unless recharged, or six months from the date of last recharge, if any.

**3.18 Toll Free 8XX Service<sup>1</sup>**

Toll free 8XX Service provides the Customer with a telephone number within the toll free 8XX NPAs, enabling the Customer or User to receive incoming calls to that number which originate from any station on the public switched telecommunications network within the State of Missouri. All charges for incoming toll free 8XX calls are billed to the Customer. Toll free 8XX Service calls may be received over:

**3.18.1 Company-Provided Access Services**

The Customer must designate one or more channels on a digital, dedicated access facility, for use in conjunction with the Company's toll free 8XX Service, prior to commencement of service. Service provided in this manner is Dedicated toll free 8XX; or

**3.18.2 Company Provided Exchange Access Lines**

Exchange Access Lines provided to the Customer by the Company can be pre-subscribed by the Customer to the Company's Switched toll free 8XX Service.

The toll free 8XX Service arrangement is an inward calling switched service which permits a call to be completed at the Customer's location without charge to the calling party. Access to the service is gained by an end user dialing a 10-digit telephone number (e.g., 8XX+NXX-XXXX) which will terminate at the Customer's location. The usage is billed on a flat rated basis. Toll free 8XX Service calls are billed in six (6) second increments after an initial increment of sixty (60) seconds per call. A MATR of 30 seconds per call applies during the billing period, which if adjusted, will be billed as a nonrecurring charge. In addition, there is a nonrecurring and monthly recurring toll free 8XX Service number charge, which will be applied either on a "per toll free 8XX number" basis for shared access or on a "per routing arrangement" basis for dedicated access.

(N)

3.22.1 XO Long Distance Business Plan is a long distance calling plan available to Company's who are also Company's local exchange customers. Customers must be subscribed to Company's local, intraLATA, and interLATA service. The plan includes outbound and inbound intraLATA and interLATA calling. A Monthly Recurring Charge will apply per service location. Calling card calls are not included in the plan minutes, but are charged separately as shown below. Operator Assistance, Calling Card, and Directory Assistance services are available to customers subject to the provisions of this tariff.

Customer chooses a plan based on minutes of use. If Customer's service location monthly usage exceeds the minutes of use for the plan chosen, it will be charged a per minute overage rate. Unused minutes will not be carried over to a subsequent month. Monthly recurring charge does not include any taxes, surcharges, or fees. Calls are billed in six second increments. Operator Assistance, Calling Card, and Directory Assistance services are available to customers subject to the provisions of this tariff.

**SECTION 4 – PROMOTIONAL OFFERINGS**

The Company may, from time to time, engage in special promotional service offerings designed to attract new customers or to increase existing Customers' awareness of a particular tariff offering. These offerings may be limited to certain dates, times, and/or locations and are subject to prior Commission approval.

The Company may, upon Commission approval, offer customers specific rate incentives during specified promotional periods. The Company will provide written notice to the Commission at least 7 days prior to the commencement of a promotional program specifying the terms of the promotion, the specific service offered, the location, and the beginning and ending dates of the promotional period.

In lieu of the Customer receiving applicable volume discounts and/or promotional credits on a monthly invoice, the Company may, in a nondiscriminatory manner, utilize other methods of payment, subject to the terms and conditions of this tariff.

**SECTION 4 – PROMOTIONAL OFFERINGS, (CONT'D.)****4.1 Satisfaction Guarantee Promotion**

Beginning on the Effective Date and ending on March 31, 2001, the Company is offering the following Satisfaction Guarantee Promotion to any new Customer who enters into a Service Order Agreement for services purchased before on or before March 31, 2001. This offer is available only to New Customers, which is defined as a Customer who has not subscribed to any Company Service during the one-year period prior to subscribing to new Company services. Pursuant to this promotion, New Customer may cancel its new Service, without incurring contractual penalties, within three (3) months of the Service installation date if New Customer is not completely satisfied with the Services provided by the Company. For purposes of this promotion, a month is considered to have thirty (30) days. In order to be eligible for this promotion, a new Customer must not have received service from another local exchange carrier at the location to which New Company services are provided, or New Customer must switch back to the local exchange carrier that provided New Customer's telecommunications services prior to the new Customers subscribing to the new Company service.

The Company also will reimburse New Customer for any installation charges incurred by New Customer to restore New Customer to its previous Service Provider at the identical level and type of service provided by the previous Service Provider at the same customer location. In order to receive the reimbursement, New Customer must, within (3) months of the installation date, provide the Company with the following: (1) the Company reimbursement form; (2) a copy of the invoice from the other Service Provider posting the non-recurring charges for restoring New Customer's service to the other Service Provider; and (3) a copy of the last invoice that New Customer had received from the other Service Provider prior to switching to the Company, if applicable.

If New Customer previously did not have a previous local exchange provider other than the Company at the location to which the Services are provided, or if the previous local exchange carrier will not or cannot provide the identical level and type of Service previously provided to New Customer, the Company will reimburse New Customer any initial Company Non-Recurring charges that New Customer incurred in conjunction with the installation of Service. All reimbursements will be in the form of a check. Credits will not be given.

The Company is not liable for any outage or inconvenience to New Customer relating to restoring New Customer to its previous local exchange carrier. New Customer is responsible to pay the Company for all charges for the Service provided to New Customer through and including the date of Service termination prior to receiving reimbursement from the Company.

**SECTION 4 – PROMOTIONAL OFFERINGS, (CONT'D.)****4.1 Satisfaction Guarantee Promotion (Cont'd)**

This promotion is not available to customers receiving for whom the Company performed Special Construction or Special Configurations. Special Configuration refers to the situation in which a customer's service connection is established through a non-standard network architecture design. Special Construction includes the following:

- (a) where facilities are not presently available, and there is no other requirement for the facilities so constructed;
- (b) of a type other than that which the Company would normally utilize in the furnishing of its services;
- (c) over a route other than that which the Company would normally utilize in the furnishing of its services;
- (d) in a quantity greater than that which the Company would normally construct;
- (e) on an expedited basis;
- (f) on a temporary basis until permanent facilities are available;
- (g) involving abnormal costs; or
- (h) in advance of its normal construction.

## SECTION 4 – PROMOTIONAL OFFERINGS, (CONT'D.)

## 4.4 XOptions Promotional Service Offering

XOptions is a promotional service offering that is available to customers who enter into a service order agreement for this offering on or before March 31, 2001. The XOption Service Promotion is a bundled promotion offering for Business customers who purchase, at the same customer location, local exchange, outbound domestic long distance and DSL or Dedicated Internet Services from the Company. This service promotion is subject to the availability of facilities and only offered where technically feasible.

Rates indicated below do not include sales, use, gross receipts, excise, access or other local, state and federal taxes, charges, user fees, or surcharges.

Pursuant to the XOption Service Promotion Offering set-forth in Section 3.21 of the Company's Local Exchanges Services Tariff, P.S.C. Mo. No.7, the Customer will receive a specified amount of monthly minutes of use for local exchange service and outbound domestic long distance service, depending on the option selected. Additional outbound domestic long distance minutes of use above the specified amount listed for each XOption shall be billed in six (6) second increments after an initial increment of sixty (60) seconds at a rate of \$0.05 per minute of use. Unused domestic long distance minutes may not be carried over to the subsequent months or transferred to other users.

## INTEREXCHANGE SERVICES TARIFF

## SECTION 6 - GRANDFATHERED SERVICES

- 6.1 Message Toll Service** - *As of October 7, 2005, this product will only be available to current customers at their current locations.* (M)

Message Toll Service (MTS) is a direct dialed communications service which is available for use by customers twenty-four (24) hours a day. Customers may originate and terminate intrastate MTS from locations served by the Company within the state of Missouri. Operator Assistance, Toll Free Service and Directory Assistance services are available to Customers of the Company's MTS service subject to the provisions of this tariff.

For the purposes of this Section 3.1, timing of messages will be determined by the following method.

- (a) Chargeable time begins when connection is established between the calling station and the called station.
- (b) Chargeable time ends when the calling station "hangs up" thereby releasing the network connection. If the called station "hangs up" but the calling station does not, chargeable time ends when the network connection is released by automatic timing equipment in the telephone network.
- (c) Chargeable time does not include time lost due to faults or defects in the connection.

- 6.1.1** Rates for this Section 3.1.1 are usage sensitive and billed in six (6) second increments after an initial increment of sixty (60) seconds. The duration of each call for bill purposes will be rounded off to the nearest highest increment. Fractional cents will be rounded off to the nearest higher cent. The following rate applies to toll calls originating and terminating in the State of Missouri:

\$0.15 per MOU (M)

**SECTION 6 - GRANDFATHERED SERVICES, (CONT'D.)**

- 6.2 Gold and Platinum Services -** *As of October 7, 2005, this product will only be available to current customers at their current locations*

(M)

The Company's Gold and Platinum Services provides customers with direct dialed communications services which are available for use by its customers on a twenty-four (24) hours a day seven days a week basis. Customers may originate Gold and Platinum services from locations served by the Company, and may terminate such calls to any location within the State of Missouri. Gold and Platinum Services include 1+ Outbound and Inbound Service, Calling Card, Toll Free Service and Directory Assistance Services as set forth below. Customers may not substitute other services or rates for those set forth in this section or other sections of this tariff that are associated with the Gold and Platinum Service, excepted as explicitly permitted by the terms and conditions of the Gold and Platinum Service.

For the purposes of this Section, timing of messages will be determined by the following method.

- (a) Chargeable time begins when connection is established between the calling station and the called station.
- (b) Chargeable time ends when the calling station "hangs up" thereby releasing the network connection. If the called station "hangs up" but the calling station does not, chargeable time ends when the network connection is released by automatic timing equipment in the telephone network.

**6.2 Gold and Platinum Services (Cont'd.)** - *As of October 7, 2005, this product will only be available to current customers at their current locations***6.2.1 Usage Rates**

Usage Rates for Gold and Platinum Services are billed in six (6) second increments after an initial increment of sixty (60) seconds. The duration of each call for bill purposes will be rounded off to the nearest highest increment. Fractional cents will be rounded to the next highest cent. The following rates apply to intrastate interLATA and IntraLATA calls.

Platinum is an On-Net service where the Company is the provider of local service. Gold is an Off-Net service where the local service is provided by a LEC other than XO.

**A. Standard Rates for Inbound and Outbound Services:**

Effective December 3, 2001, these rates will become effective to new customers.

Platinum Rate	\$0.089
Gold Rate	\$0.125

Effective December 3, 2001, these rates will be grandfathered.

Platinum Rate	\$0.093
---------------	---------

The Platinum Rate listed below becomes effective July 4, 2003, subject to completion of service agreement commitments.

Gold Rate	\$0.125
Platinum Rate	\$0.0816

- \* If the Company offers intraLATA service(s) elsewhere in this tariff at rates that are different than the intraLATA rates set forth in Section 3.4.1.A above, the customer at its option can substitute such rates for the intraLATA rates set forth in Section 3.4.1.A above.

## SECTION 6 - GRANDFATHERED SERVICES, (CONT'D.)

- 6.2 Gold and Platinum Services (Cont'd.)** - *As of October 7, 2005, this product will only be available to current customers at their current locations*

(M)

**6.2.2 Payphone Surcharge**

A payphone surcharge will be charged for each toll free call placed from a pay telephone, calling card, toll-free switched and dedicated services traffic, and any 10-10-XXX-0-plus dial around service traffic.

Per Call: \$0.50

**6.2.3 Calling Card Service**

Calling Card Service is available to new and existing Customers after May 11, 200. Calling Card Service is provided to Customers for use when away from their established service locations. The Company will issue Company Calling Cards that will allow Customers to place telephone calls and to re-originate calls, a feature which allows a Customer to place a new call without hanging-up and re-dialing the toll free access number. Access to Company Calling Card is gained by dialing a Company-designated toll free access number (e.g. 800-NXX-XXXX) and then entering a 10-digit account number plus a four-digit personal identification number (PIN) and the called telephone number. The optional features set forth in Section 3.4.3.3 following will also be available to Calling Card Customers.

**A. Rates**

In addition to the per minute rates below, a surcharge of \$0.50 will be added to each completed calling card call originating and terminating in the United States.

Rates for this Section 3.4.6.A are usage sensitive and billed with a six (6) second increments after an initial increment of sixty (60) seconds. The duration of each call for bill purposes will be rounded off to the nearest highest increment. Fractional cents will be rounded off to the nearest higher cent. The following rates apply on a per minute basis to all Company Calling Card Calls issued originating and terminating within the State.

Company Calling Card Rate \$0.20 per MOU

**B. Operator Assistance**

Customers placing an operator-assisted calling card call as a Gold and Platinum Service Customer or XO Customer will be charged a rate of \$1.05 per call for direct connect/station-to-station and \$4.95 per call for direct connect/person-to-person.

**SECTION 6 - GRANDFATHERED SERVICES, (CONT'D.)****6.3 Dedicated Long Distance** - *As of October 7, 2005, this product will only be available to current customers at their current locations*

Dedicated Long Distance provides Customer, where technically feasible, with a dedicated facility from the Customer premise to Company's interexchange point of presence. To be eligible for this product, Customer must agree to a minimum annual commitment level of at least \$3,600. Elements included in determining the annual commitment level are: local line monthly recurring charges, excluding taxes and surcharges; local usage; intrastate, interstate, and international long distance usage; calling card usage; and international toll-free usage, internet service, DSL services, CAP services, conference calling services, and private line services. If the Customer terminates agreement before its expiration date, Customer is liable for any unfulfilled annual commitment amounts for each partial and entire year remaining in the contract term. The rates and charges described below do not include the applicable local loop charges.

The duration of each call for bill purposes will be rounded up to the nearest highest increment. Calls are billed in six (6) second increments after an initial increment of sixty (60) seconds. Fractional cents will be rounded to the next highest cent. Per minute charges and the discount schedule apply to outbound (1+) and inbound (toll-free) calls.
